

# One App. Total Access.

**Now on the CVS Caremark® mobile app** it's more convenient than ever to view and refill all your mail, retail and specialty prescriptions from one place with our new integrated pharmacy app experience. Seamlessly access all your prescription information, and so much more.

**Easy Refills** — Refill all your CVS Caremark Mail Service Pharmacy™, CVS Pharmacy® and CVS Specialty® prescriptions in one place

**Manage and Track** — View all your mail, retail and specialty prescriptions in one easy-to-manage list. You can also track your refill orders for all your prescriptions

**Flexible Pick Up and Delivery** — Transfer all your prescriptions to CVS Caremark to receive your medications by mail.\* Or, choose to pick up all your prescriptions, including CVS Specialty, at CVS Pharmacy\*\*

**View Prescription Spend** — See total prescription costs for yourself and your family in one view – makes taxes and budgeting easier

**Download the CVS Caremark mobile app today to refill all your prescriptions.**

\*Depending on your plan design.

\*\*Where allowed by law. In-store pick up is currently not available in Oklahoma. Puerto Rico requires first-fill prescriptions to be transmitted directly to the dispensing specialty pharmacy. Products are dispensed by CVS Specialty and certain services are only accessed by calling CVS Specialty directly. Certain specialty medication may not qualify. Services are also available at Long's Drugs locations.

You have other pharmacy options available to you when using your benefits administered by CVS Caremark. For additional information about available pharmacies, see Caremark.com.

Your privacy is important to us. Our employees are trained regarding the appropriate way to handle your private health information.
